Docket**PORT**® 667

with DocketScan BCS Software

Model #DP667-BCS
$179.95

DocketScan BCS Software Highlights:
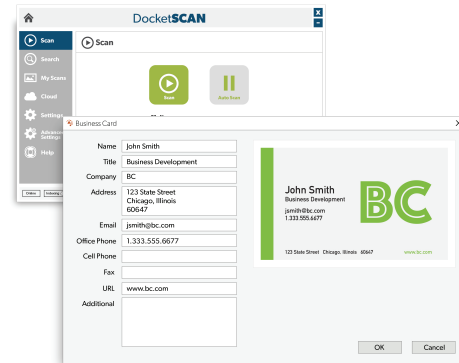

Import Contacts Directly to Outlook.

Included Single PC Business Card Software License provides compatibility with Microsoft Outlook, making importing and exporting exporting contacts easy and hassle-free. Automatic detection of duplicated information when adding new contacts to an existing Microsoft Outlook database saves you valuable time.

Data Backup.

Never lose business card information again with automatic data backup creation. Scanning cards creates a .CSV file to store and backup data.

Work Faster.

With DocketScan's automatic card orientation detection and Quick Scan features, scanning is fast, easy, and accurate so you'll never waste valuable productivity time.

Data Backup.

Never lose business card information again with automatic data backup creation. Scanning cards creates a .CSV file to store and backup data.

Docket**PORT**®

DocketPORT®667

with DocketScan BCS Software

Features & Benefits

Ultra-Compact Footprint

At about the size of a stapler, the DP667 takes up far less space than ADF or flatbed scanners. That makes it perfect for crowded desks and mobile users.

USB-Powered Convenience

Because it's powered by your computer's USB port, you'll never search for an outlet or carry a bulky AC adapter again.

Broad Compatibility

The included TWAIN driver ensures compatibility with thousands of software applications and hardware systems.

Professional-Grade Quality

Durable and reliable enough for high volume environments like hospitals, banks and busy points of sale.

Straight-to-PDF Scanning

With included DocketScan image aquisition software, users can scan directly to industry-standard PDF format.

Autocontinue Function

This DocketScan feature allows you to continuously feed media, meaning piles of cards can be scanned quickly.

Portable and Compact

Light weight and small footprint make it the perfect travel companion.

Specifications
